

# PB& J Gone Wrong

Gwen R.

Hi, I'm Lizzy! But you can call me Liz. This crazy story that you're going to read is super crazy bananas!

When I woke up in the morning I was super hungry. So I thought that I could have a peanut butter and jelly. so, I got up and got dressed and then I looked the cabinet and

saw no peanut butter? And I asked my mom “where’s the peanut butter and my mom said “it’s in the cabinet.” But I told her it was not in there. She said “just keep looking ” and then I heard tiny footsteps going across the floor. Then I flipped around and saw a peanut butter jar! and I heard it giggling I picked it up and said “are you an alien?” my mom heard and said “I’m not a alien!” I said “Never mind” then I saw jelly trying to hide behind the fridge, but it was only a tiny gap.

Then ,I ran over and picked it up. It said “dont eat me”. I thought for a while, but I just didn’t know what to do. But then I had a idea. So first, I asked jelly if I can use a little bit of his jelly. He said yes but in one condition. He said he wanted to taste bread. I said yes that’s perfect because I need you to go on bread. Then I asked peanut (that’s short for peanut butter). The same thing and he also said yes. But when I asked the bread he said that he did not want me using two pieces of bread so I got a piece of sourdough bread and then I made my peanut butter & jelly sandwich.

The end
