Ninja through dimensions

By: Magnus L

Chapter 1: A ninja is born.

Once there was a man named James. He got taken by a ninja as a baby who trained him to become a ninja.
After 20 years of training James was ready.
His "dad" said, "I think it is time for a new name."
James said "The Ninja" is a good name.
His dad said, "could be better, but it works."
James Woke up and said, "hey dad!" But then he saw a note that read:

James If you're reading* this *I did not survive the battle.
I hope you are okay 'dad'

James started sobbing.
He went to the TV and saw a catastrophe in the sewers.
James exclaimed: "I should go!"
He put on his suit and started running.
James jumped to the sewer and jumped in.
He saw a ginormous monster!
He jumped to the monster and then it ducked.
James went flying into a portal!
As he was flying, he was going strait to another world. He saw a world with a bunch of ninjas.
"Whoa", said James.
Then a ninja lady said "who are you?"
James said "I'm a ninja."
Raised by a ninja named the "Kicking hero."
The lady gasped.
James asked "what?"
Then she said, "He is our leader!"
James said "that is impossible He is not alive."
"He did not lose his life, he had FAKED it within the other dimension" said the lady.
"There's dimensions now?!" Said James.
"Anyway I need to see your leader."
"Sure he is that way." Said the lady.
"Where?" Asked James as the lady pushed him back into the portal.
"Ah!" James yelled as the portal sucked him in!
"Ow!"

Chapter 2: What is this place?

“Ugh” said James
“That lady is bad!”
Another ninja did a back flip and said “Who are you?”
James thought in his head “why does everyone ask who I am!”
Then James said “A Ninja”
Then the lady said “My name is Girlja.”
Then James said “Dude I don’t want to talk, I have to get back to my dimension with my dad who is in another dimension!
Then Girja said “You talk too much.”
James ignored her as he was trying to find a way to get the portal back.
James decided to go to the scientist in that dimension to go home.
Then Girlja said “I’m coming too!”
James said “No you’re not.”
“Yes I am”
5 minutes later
“No you’re not!”
“Yes I am!
Then James said fine, you can come.
Girlja said “Awesome!”
Come on let’s go said James.
“Hmm the scientist has guards” Said James.
Girlja said “I am welcome here we don’t have to do ninja stuff to get in.
“Bro” Said James.
“Girlja you never told me what this place is called.”
Girlja was just about to say when someone answered that for James
“Young man you are in Oddostic town.”
“My name is Jamar the wiztence.”
“Wiztence?” Said James.
“Yes I am a wizard and a scientist. Hello Daughter.” Said Jamar.
James said “Seriously he’s your dad?”
“Let’s focus on getting the formula to get back the portal.” Said Girlja.
“Ah, a formula to get a portal here do this and you will have your portal”.

Find two ninjas that are worthy and say this chant:
Nin Nin Ninja Ninja we are the worthy two!
Two times.

Chapter 3: The Portal is opening

The Ninjas said the chant and the portal is opening.
James said "The portal is opened!"
Now It is time to kick their butts!
James and Girlja jumped through the portal and landed in the one with James' dad.
Girlja handled the guards while James tried to find his dad.
James ran up to the ruler seat to find his dad hanging above him!
"Dad!" Said James as he tried to get him down. "Who did this too you!"
A big blast of energy tried to hit James!
The dust went away to reveal Jamar and the lady who pushed him!
"Wow now we get 2 of them!" Said Jamar.
"I'll get the kid you get the old man!" said Jamar.
Another blast of light came out James ducked down the blast hit Jamar instead!
Jamar was delt with but the lady was not!
She got a sword out and was going to James!
James' dad broke free and took the hit.
"No!" Said James.
James' dad said "Son I lived my life, it is time you live yours."
James' dad exploded just as James ran away.
The explosion caused the lady to be gone.
James went home he got through the portal and defeated the monster.
James and Girlja both became heroes in their worlds and sometimes they would visit.

The end
