Chloe

Chapter 1

“Chloe loves sunflowers” my mom said. Her name is Clara. Clara loves roses. My dad loves poppies. Let’s dive into my childhood. I was born in New York and I was that type of girl that always had friends. My friends really loved Paris, where my mom was born. So, everything was good until Cindy came. She was messing with my friends. I did not like her at all. She was so mean. She even dumped water on Amys head. Amy is one of my friends. Ugh that girl ... to be continued.
