

Recess Is The Best

By Thomas I.

I think recess is the best part of the day.
Because you get to let out your energy, and play.
Recess is the best.

Recess is very fun.
Playing in the light of the sun.
Recess is the best.

You can play soccerball, football, and dodgeball.
The games you wanna play, it's a long haul.
Recess is the best.

You get to have fun on the playground.

You get to have fun and run around.
Recess is the best.

I love recess.
