

The Hair Dude

I was playing with my friends Emery and Ariya.

We were playing tag and then it started to rain.

“I guess we will just go home” I said.

“Aurora, that guy wont stop staring at me: Ariya said.

“That's weird” I said. Just then the guy began to talk.

“I love your hair” he said.

“Thats very nice” Ariya said.

“GIVE ME THE BABY” He said.

“I'm not a baby” Ariya said.

“This guy got some issues” I said.

“RUN” said Emery.

We got on our biked and started to pedal.

I was not even pedaling but my bike was.

As I, Emery, and Ariya were pedaling the hair dude was chasing after us.

“Well I'm never getting my hair done” Ariya said as her tire started to lose air.

“We don't have any time” I said as I put Ariya on my back and started to run.

After 25 minutes we came to a neighborhood.

I did not know where we were until we saw my house on Dimind Rd.

We quickly went into my house and locked the door.

Emery quickly went upstairs to find an exit.

I found one Emery said we slid down a fire pole and went right into the underground house.

“We'll be safe here” I said.

“Now Im going to take my braids out” said Ariya

“Glad that's over!” I said.
