

The Case of the Missing Necklace

One sunny morning in Greenville I was getting ready for the best sleepover of my life at Juanita's house. Hello my name is Maria I am eleven years old, and I live with my mom Lucia and my grandma Rosa but she died.

The day of the sleepover I was so excited to get to Juanita's house. My mom took me to Juanita's house. Once we got to her house I told her about the necklace my grandma had given me before she had died. The necklace was a heart with a picture of me and my grandma.

After, I showed her my necklace we jumped into the pool. We swam in the pool for an hour and ate some watermelon. We went back inside and watched a movie. We were watching The Incredibles 2. After the movie ended we went to bed.

Then we woke up and ate some breakfast and my mom came to pick me up. While we were going home I wanted to go to the park.

Once we got home I started to unpack. While I was unpacking I realized that my necklace was missing. I ran to my mom telling her "Mom I lost my necklace grandma gave!" My mom told me to make sure I didn't leave it in the car. We checked and it wasn't there. We checked the entire house, but it wasn't there either. I started to give up hope, but my mom said that we will find it. I grabbed my brother Jose and Juanita and told them if they could help me find my missing necklace. They said yes. Juanita suggested we search her house first. We searched everywhere including the pool. We found nothing. Then I remembered that when we were going home we went to the park. So that's exactly where we went.

We checked the jungle gym, swings, and slides and we found nothing. So we gave up and went home.

Once we got home mom told me that she was looking for the necklace too. Then she told me that she had a surprise for me. She gave me a tiny red box.

I opened the box and my necklace was in the box. I told her where she found it. She said it magically appeared and I know it didn't, but I didn't say anything about it.

I was so happy I had my necklace back. I promised my mom I would never lose it ever again.
