

The Best I Could Do.

BANG!! The door to the class slammed shut. "Good Morning Class!" Mrs.Giffer screamed at the class. "Good Morning Mrs.Giffer." the whole class replied. I kept my mouth shut. I slouched in my chair. It was a bad start when the whole principle retiring saying went thru. "Well, well, principle Hert is no longer with us." Mrs.Giffer cried. What! I said in my head, why is she gone? So I raised my hand to ask "Why is she ggggooooonnnnee? She was a great principle." "Well__well UH..." Mrs.Giffer stumbled. "She..." I asked again. "You do not need to know." Mrs.Giffer said. I sighed, well at least I tried. RING!! RING!! RING!! Well time to switch. I grabbed my stuff and gambled out the door. I went up to Fret and asked "Well who is in Mrs.Herts spot right now." Fret answered "Mrs.Pipe" I was confused "Who is Mrs.Pipe again." Fret answered" The 5th grade math teacher because she was the runner up principle." It's already time to go, Wow time fly's. *A week later*

"Welcome our new principle, Rick." Mrs .Giffer stated. Wow He's BIG! "Hello everyone!" Rick said with a big hand waiving in the air above. His eyes pointed at me and he started to grin at me. What is happening I thought again. Is he mean or nice what is going on here. Why is he looking at me like that? Does he hate me or is he just looking just to look because this is bad thing? "Well I might as well go now." Mr. Rick stated. Wow good he is gone, because he was creepy as the worst kind of creepy. I need to just forget about it and enjoy the rest of the day without him in my life. "Mr. Frank can you run this to the office for me please, we have a nice principle waiting for this paper to see." Mrs. Giffer stated. "Yees." I answered in a sad mop. I slumped out of my seat

and treed to the teacher to receive the paper to give to Mr. Rick. *10 minutes later*

"Here you go Mr. ... Umm Rick." I said in a moody voice. It went on to school out It was infuriating. *That night*

"Frank is that you? What are you doing down here so late? Come on time for dinner." Carmel (My mom) said. "Right up." I replied. Why do I have to come up its 6pm dinners at 7pm. I just went up because I am scared of the dark and I have to come up. "Frank up here" my sister Sara screamed from the stairs. "Coming!" I screamed back at Sara. *2 minutes later as I walk up the stairs*

"What is so important Sara?" I asked. "First sit down and close the door please." Sara said silently whispered. Wow it feels good to sit down. "I know you are having a hard time with the principle so if he destroys your world then destroy his." Sara whispered to me. "WHAT HOW!" I screamed. "shhhhhhhh." She put a finger to her mouth. "How?" I whispered. "PRANKS." She whispered to me again. *That night*

"Okay now what smart girl?" I asked.

"The locked door!" Sara excitedly whispered. "Let's do it." I answered Sara. *That morning*

"Thanks mom" I said. Wow no reply and she's gone. BONK!! "Watch it" the student in front of me said. Wow there was a big long line of students. Wow its Mr. Rick and he can't get into the building. That means the prank worked and he can't get into the school. Now that's evil of me and Sara. Well I'm glad that I lessoned to her. *1-hour later*

Still now the prank is on me and everyone in the school. I wish I could tell him were the real key is, But I was too late and he had already bought a new key. *1 minute later*

Finally, the doors are open and we can have a good rest of the day. Why is he looking at me like he did before but this time his whole face is now red and pink. I tried to get out of there but he even followed me to my class and then just leave without doing anything besides that he stared at me the whole time. *That night*

"did it work?" Sara asked in a calm voice. "NOO! If only made the connection of me and him worse. Bye 100,000,000,000%. Now he even follows me to class!" I screamed at Sara. A big smile grows onto Sara's face as if she had an idea on her mind. "Are you okay?" I asked Sara because it looked like she was going to blow up into 100's of pieces. "I ha... Hav... a a an idea!" Sara said in a exited mood. "What... What is it Sara?" I said with a wide smile as wide as the earth. It looked as if she forgot what she was going to say. "I forgot. Just give me a minute." Sara stated. "Oh. Okay." I said in a sad way. I wonder what she is thinking right now. *5 minutes later*

"I got it. Now you can come back up!" Sara yelled. I have to get there as fast and quick as I can. "The fire prank!" Sara said right as I arrived. "Let's do this." I exclaimed with my hands in the air, almost falling. *The next afternoon*

It's almost time for fire alarm. Almost. 5, 4, 3, 2, 1, 0. RINGG RINGG RINGG!! It worked it was the fire alarms! But why is everyone in a line? Oh, I will just go with it. "Mr. Frank come to my office please." Mr. Rick said in a loud voice. Why does he want me in his office? Oh, the pranks I see. Clonk goes the door. "Take a seat." Mr. Rick said. "YOU ARE EXELED!!" Mr. Rick yelled unhappily and loud. Okay! Okay!!
