

 **THE**

BIKING 

One night known as the scary night for children. This weird monster every night he comes out and does something maybe you don't know what he's going to do to you.

One last funeral the monster was a living guy so everyone went to visit the dead guy so they left at 2:00 am. He got out of the funeral box so the police was checking what was the weird thing that made all of that noise so the police got lost at the woods he saw 5 kids and the big man that was supposed to be in the funeral box so he was scrubbing his eye and the more he did it the closer the kids get closer so the funeral guy was

behind him and he touch the police shoulder. The police convert into stone.

There was one woman with 2 kids that were brothers and one brother saw the 5 ghost kids. Every night the boy would go down the stairs of his house and go to the basement. And the 5 kids that were in the basement wanted to see scary movies. The boy showed the 5 kids one movie where one of the humans was going to die.

Suddenly something with 2 big yellow eyes appeared in the basement he was covered in mud and dirt the boy, Josh screamed of *terror* "ahhhhh" screamed Josh the 5 kids turned in to liquid and suddenly came back from the ceiling no one knew how the boys did that. Then the biking appeared bigger than the others ghosts...

Then Josh fainted because he was surprised to see the size of him. The next morning at 6:00am the mom came to looked for Josh in his room Josh was not there the mom panicked and looked in every room and Josh was not in any of the rooms then there was one room where she did not looked in the basement the mom ran

and looked and he was ***NOT THERE*** the mom started to feel like if she wanted to faint she looked all over town she looked everywhere but not the funeral place. So she checked and she felt something strong in her heart then she felt a cold breeze like if someone was behind her she quickly turned around but there was nothing there she quickly started to search and she saw a bump in the ground that was supposed to be straight there were men that dig the holes the mom told one of them to dig the one with a bump and to be careful so they started to dig and that was a body facing down and the mom said "hurry that's probably a person that not supposed to be there" it was his son Josh and he saw that the man and the kids were still there so the man with the pictures was knowing that there was the kid that was killing the man but the man got a big cut on the one finger so the man got scared so he when to the went to the house and get cured he went back outside and the first guy that he was going to kill was the dad because he always got mad and hit the boy so he died and the kid was going to burn his brother than the mom but the crashed with the boy so the guy untied the mom and the other brother was trying to escape so he went to the basement John was

there and Josh see that John was see that there were seeing scary movies. John hit Josh and Josh left to his room. The guy was in the woods waiting for the 2 brothers to get out of their house. The 5 kids got out with Josh and then the ghost disappear and the man was behind the kid and the man touched his shoulder and the kid transformed in to stone the guy was on a hotel and there were a room for him and he saw a paper and the monster got to his face and scared him and it wasn't over it keep going and going. Now one new what those creatures were and if they were going to be back.
