Once there was a man named Mike who was having a rough time going to work, so he quit! That left Mike without any money for food. He couldn't eat without money so he was becoming very hungry. He was about to starve to death. A man came up to Mike and asked, "Are you hungry?" Mike said, "Yes, I'm hungry." The stranger offered Mike some ribs. Mike said "Thank you so much!" Soon after Mike, met the stranger, his luck turned and he was able to find a new job! He was so happy and no longer hungry..
