

One Creative Mind

One day there was a little boy named Percy, all he wanted to do was draw and that's all he did. Percy was only 5 years old, but he sure did have one creative mind. The only thing he used to draw and make art with was a magical paintbrush or that's what he liked to call it. One day as Percy painted a picture of his dog, his dog came into the room and ran up to Percy. The dog jumped up at Percy and BAM! He grabbed Percy's magical paintbrush and scampers out of the room with it.

The next day at school Percy tells some of his friends about his encounter with his dog and his missing paintbrush, his friends that live nearby offer to come to his house and help him find his paintbrush. Later that day after school, Percy hears the doorbell, he answers the door and there are all his friends ready to help! They search high and low, far and near in Percy's house. Percy and his classmates couldn't find the magical paintbrush so Percy's mom sends them back home.

The following day, Percy and his mom head to the store to look at new paint brushes just in case they didn't find the magic paintbrush. Percy and his mom look for a new paint brush, but none of them speak to Percy like the magic paintbrush did.

It is now Friday and the magic paintbrush has been missing for three days. Jimmy (Percy's best friend) decided to come over after school.. Jimmy said, "Let's try one more time to find your brush." Percy says, "OK, let's do it!" So Percy and Jimmy search in the one place they hadn't looked before, the dog's playhouse. They look inside and there was the magic paintbrush. From that day forward Percy learned when he is drawing a picture to shut the door behind him.
