

## Adventures of the Courageous Christine R.

Long ago, in ancient India, there were 5 charms with powers hidden secretly in Mahishmati kingdom by the evil Palvaldevan, who wanted to take over the kingdom. He was a villainous tyrant.

### The Intelligence & Journey to Defeat

Previously, Mahendra Bahubali after defeating the evil Palvadevan, was crowned just and righteous king, but the evil soul of Palvaldevan resurrected him. A smart village girl named SreeLakshmi intelligently figured out that the only way to permanently kill him is to find 5 sacred charms.

“I am starting off on my expedition, I hope that it will go great.” With that said she, her strong dad, her daredevil mom & her intelligent brother Varun, carrying all the food, shelter, & clothing they have packed, departed from their house.

“This is what we need to catch:

- Diamond of Courage
- Ivy of Strength
- Pearl of Intelligence
- Rose of Courteous Respect
- Feather of Loyal Fame”

& found themselves in an entrance to the cave of a nasty ogre. Little were they knowing that Palvaldevan knew that they were going to get the charms, so he appointed the Nasty Ogre of Evil as guardian for 4 of the charms, while he guards the Feather of Loyal Fame.

### The Fright & The Stunt

As they walked into the scary cave, a ferocious bellow came from nowhere.

“Who goes there in my lair?”

“US!”

When they shone their lantern, standing fiercely was a big hairy ogre. Swifter than a striking viper, the dad drew his weapons & started to fight the ogre, signaling SreeLakshmi, Varun & the mom to sneak up & get the charms. They were astonished to see the dad kill the ogre. The family immediately left the cave.

### The True Revelation

After defeating the ogre & killing it, the dad saw the mom catch the charms, & ran toward them. After storing the charms, the dad used the imperishable, unstoppable power of the Diamond of Courage to make himself a billion times bigger than Palvaldevan & stormed off to the villain’s lair. The mom, SreeLakshmi & Varun watched as the dad angrily smashed Palvaldevan’s head. While the mom & SreeLakshmi got the Feather of Loyal Fame, Varun stayed with the dad watching him minimize until he turned normal size. They soon were together again & got out of the cave with Palvaldevan dead.

## The Return and Gratitude

The joyful family frolicked to Mahishmati Palace. There the great Mahendra Bahubali was ecstatic to have his 5 charms back. He rewarded them for all the hard work they had achieved in order to kill Palvaldevan & save Mahismati kingdom from evil. The family was honored to receive the gratitude & reward.

And so, with Palvaldevan permanently killed, all 5 charms found, & the kingdom saved from the evil spell Mahishmati remained just & righteous forever.
