

Alyn's Big Adventure
Ryleigh

The day started off bad. Mom said today is closet cleaning day. This was not what Alyn wanted to do. "No arguments" said Mom. "But Mom, I don't want to clean closets!" Alyn knew she would not win, so off she went to get started. Soon Alyn saw a very old box, so she decided to open it. In the box, was an old map with an "X" on it. Alyn just knew it was a treasure map. She had to find the "X." She was off on a big adventure.

The map took her down the road. She ran into Bob, the mailman. "Hello Alyn, where are you going?" Alyn said, "I'm off on a big adventure." A little further down the road, she ran into her friend Luke. "Hi Luke," said Alyn. Luke says, "What are you doing Alyn?" "I'm off on a big adventure!" Luke says, "Cool. Can I come?" Alyn says, "Sure!" Alyn shows Luke the map. Luke says, "I know exactly where that spot is." he said. Alyn and Luke walked and walked and walked. Finally, Luke said, "We're here!"

"This is an ice cream shop!" said Alyn! Luke smiles and says, "After all that walking, I was hungry!" Alyn laughed, "Well I guess you are right. Having ice cream with a friend is better than treasure."

The End.
