### Still Fun

Aubrey happily screamed, "Yippy!" at the top of her lungs when she heard about the talent show. Aubrey was super excited because the talent show was coming up and as the reward for whoever wins is.....\$50! Aubrey needed that money to be able to pay her future college tuition. So, she was SUPER committed to winning! Anyways, there was only ONE person in the way of getting that money.....Sofia (Aubrey's worst enemy!) They had been enemies since 2<sup>nd</sup> grade and they never liked each other since. But, she wasn't going to mess this up. "Not today," Aubrey thought as she walked to Mr. Scoff's class. After class, it was time to go home and as Aubrey was walking home she kept saying in her mind, "I'm really not sure yet about my band...." So, for the rest of the evening and night she thought about her band name. AHHHHHHHHHHH!! Aubrey screamed of fright, but luckily it was just her alarm clock that scared the dog poop out of her, anyway. When Aubrey jumped in her dad's car and walked into her school in a hot second, there she was.....Sofia. Standing in a hot pink skirt looking straight at Aubrey. "Ugh. What do you want, Sofia?!" Sofia just kept staring at Aubrey. Suddenly, Sofia said, "You think you are going to win the talent show?" "Uh, I never said that..." "WhatEVER!" Then, Sofia just sashayed off. After that, Aubrey went to make a band name, then to sign the band up. But, the only problem was that there was no band....So, Aubrey decided to ask the school principal if she could do sing-ups at breakfast. "Oh, yes, of course," said the principal. "Thank you so very much, sir," said Aubrey.

Then Aubrey made thousands of posters that she soon hung up all through the halls. After that, Aubrey went to go wait in the music room for people to come sign-up. Soon

enough, there were thousands of people waiting to sign up. After all that stuff happened, there were five people who were picked. This girl named Rosie, a boy named Theodore, another boy named Oliver, a girl named Allie, and one of Aubrey's old friends from kindergarten, Makaylee. After the rest that didn't get picked left the room, Aubrey asked, "So, what instrument is everyone going to play?" Theodore answered, "Oooh Oooh, I know what I wanna do!" "Okay. So what is it....?" "The piano!" "Okay!"

After picking, everyone went to class. The next day it was showtime. In the morning, everyone was getting ready in the dressing rooms and grabbing all of their instruments. But when Sofia's group walked in, everyone seemed to start getting ready faster. Even Aubrey. Once finished, Sofia just couldn't help herself to avoid messing around with Aubrey. Sofia blurted out, "Hey, Loser. What do you think you are doing?" "Uhm, this isn't your stuff so I can use." "No, I mean what are you doing getting all dressed up whenever you are just going to lose?"

Aubrey just ignored her and walked off with her group onto the stage with a crowd of people watching them. After they finished, it was Sofia's group's turn to go. After Sofia's prissy pink princess show, everyone who participated went back on to stage and lined up in rows to see who won.

"And the winner is.....Sofia!" Aubrey broke down into tears. "Oh, Oh, Aubrey, it's okay!" her group said to her. "Let's go get some pizza even though we didn't win we still all had fun!" After they all went to go get pizza, Aubrey went back home sad because she didn't win that \$500. But, Aubrey did learn one thing. It wasn't about winning. It was about having fun!
