## The Boy Who Was Born on the Moon

Once there was this boy born on the moon. He never knew his parents but he was raised by these two women. Their names were Samantha and Susie. Samantha had long brown hair. She also had beautiful brown eyes. Susie had short ginger hair and beautiful blue eyes. When he turned 13 he started encountering strange things happening to him. He told Susie and Samantha what was happening to him and they said that they knew his mom and dad and that he would start to develop some powers when he turned 13. He started to encounter strange things happening to him. He told Susie and Samantha what was happening to him and they said that they knew his mom and dad and that he would start to develop same powers when he turned 13 now you must learn how to control them Samantha said. So he trained 24/7. The part that Susie and Samantha didn't tell him is that his parents were still fighting for his father's moon castle. When he finally was ready to fight for the moon castle he had to say his goodbye to Susie and Samantha. After the battle he lived with his parents in the moon castle. He invited Susie and Samantha to live with him in the castle and they lived happily ever after.
