

Kimberly

Thanksgiving, Easter, and Valentines are good holidays. However, for me Christmas is a fantastic holiday because we give out presents and we watch movies. During Christmas, some people are on top of the world. In Christmas families open presents. One memory I remember is when they gave me a present. I opened the present and it was a box of shoes. Then I said in a disappointed voice, "oh no, shoes!" I opened the box fast, the first thing I saw was Mickey's face, and then I said, "I hate Mickey Mouse!" Embarrassing!

Additionally, Christmas is special because we can see movies of Christmas with your family and you can watch and eat popcorn and drink hot chocolate. We can see the elves, Grinch movies that is what you can do. This is not the time to watch scary movies, Oh, NOOO! Christmas is the best time of the year because of the gifts and the movies are the best. People that celebrate Christmas feel like they are walking on air.
