## **The Abandoned Toys-R-Us**

It was a very warm and cloudy Sunday afternoon, and all Naty wanted to do was go to the abandoned Toys-R-Us.

She begged her mom, "Can we please go to Toys-R-Us?"

Finally her mom replied, "Fine! Get changed and we will go."

So I got changed in my favorite outfit a flower shirt with pink polka dot pants. I felt all the excitement running through my blood! We got in the car and left. Once we arrived I quickly took off my seatbelt and jumped out of the car. I rushed to get inside like a lightning bolt.

My mom yelled, "I'll wait for you outside."

I yelled back, "Ok."

I got a bit sad because it used to smell fresh, but now it smells like garbage. I wanted to find all the big Lego towers and toys. Once I began looking I had found Legos but they weren't Lego towers, and they were smashed on the ground and there was no toys to be found. I fell on my knees, I felt tears running down my face. I whispered to myself, "I shouldn't of ever came. Suddenly my mom came up behind me like a mouse.

She whispered to me, "They'll make other stores with toys and Lego towers. Plus there is Walmart if you want me to take you there."

That made me smile as if we got a toy from Toys-R-Us. So we happily left and went to Walmart.
