

## Sophia and the enchanted book

By Naba and Masahal

One day there was a girl named Sophia and she was having a normal day at school until this happened. There is the girl named Bethany but I call her Beth, and she is popular and everyone sits next to her at lunch, I wish I was popular. Anyways she is a bully to nerds like me, except I'm not a nerd I'm just a 13-year old who likes witchcraft, one day Beth come up to me, looks at my outfit and says "Hah! You look like a nerd! Hopefully you are not in RL!" I didn't say anything. That day at lunch I saw this girl she seemed nice, she was sitting alone so I thought it was a good idea to sit next to her. She had blue highlight in her blond hair and was wearing a beanie that was dark blue, and a black hoodie and jeans, I supposed she was a tomboy. When I sat next to her, she moved two seats away everytime I came closer to her, when she was at the last seat of the table, she finally said "what do you want?!" I said "you look pretty lonely, wanna be friends?" "Sorry I am not interested in people like you!" she said. "Awwo! Come on! My name is Sophia what's your" I said. She signed and finally said "Fine! My name is Emily." "Nice to meet you, Emily." "May I sit here?" I asked. "Sure! I totally don't mind you sitting here!" she tried to be nice. I saw her starting to eat her sandwich and some animal crackers, so I began eating my chips. She saw me and without saying a word she split the sandwich in half and she gave me a half and ate the other half herself. After lunch, was time for science and then social studies and I'm happy because I think Emily is in my class, when I go in the classroom I see Emily and Beth. I try to ignore Beth but she keeps on talking to me. After a boring class of social studies, it was time to go so we waited until the announcements were over and the teacher let us go and I tried to find my bus and I saw Beth and Emily together talking about something I try to ignore and find my bus. I get on my bus and it takes 5 minutes to get home. Finally, I reach home and just relax and go to bed. The next morning I wake up and go for my daily morning walk and when I'm walking I find this book in the bushes, I take it and complete my walk and go home. When I reach home I try to open the book but, it does not work so then I remember my best friend Jena gave me this necklace to open any weird looking books so, I try opening the book with that and it works and I'm assuming that this is an enchanted book or a magical book and I see this spell and "being popular" I try it on myself and it is time to go to school so I go to the bus stop and everyone comes up to me and asks me if I wanted to be friends with them and I say "no thanks!" Then, at school Beth comes up to me to try to bully me but, then this girl comes up and saves me, and I become her friend and she, teaches me how to put makeup on. Then Emily comes up to me and sees the magic sparkles all over me and she is a witch so she knows that I used a magic spell book. I go back home to try to stop the magic but it does not work. So I close the book and throw it somewhere far never to be seen again!
