My family is going to be proud of me. Today is the day i'm going to find out if its a girl or a boy. I can't wait! So we went and they said... .A GIRL! I was so happy! I loved my baby sister! When she grew grew and grew my moms stomach was huge! My mom went to the hospital and she had a baby! I saw my sister she was big! I love her so much! I played with her everyday. But then she was 5 years old she had to go to school. I'm going to miss her so much!
