

# The Adventures of Mr. Penguin

By: Tommy and John

It was a dark and stormy night in the south pole. Mr. Penguin was in an igloo watching t.v. when suddenly the t.v. shut down. Then Mr. Penguin went out to find out what happened. He found out that the antenna for the t.v. was frozen in an enormous ice block! He tried to break the ice block but it did not make a mark! Suddenly a seal popped out of the ice and Mr. Penguin said, "Hello Mr. Seal. What are you doing?" The seal said "I am just finding someone to help." Then Mr. Penguin said, "Well it is your lucky day! Can you help me break this ice block?" Then, Mr. Seal said, "Sure I will try to help you." Then Mr. Seal jumped in the air and landed right on the ice block and slithered right back to the ground. Then Mr. Penguin said, "That must've hurt!" Then, Mr. Seal said, "Yes, it really did hurt A LOT!" Then an arctic fox came and her name was Mrs. Fox. Mr. Penguin and Mr. Seal said, "Can you help us break this ice block?" Then, Mrs. Fox said "You really want a girl to do the dirty work for you?" And then Mrs. Fox answered, "No Siree." And she walked away without a word. Then Mr. Penguin says to Mr. Seal, "Well that was rude!" Then they saw Mr. Rabbit hop along and asked, "Do you want to help us break this ice block?" He said "I am very late for work! I might come help you in the afternoon." Mr. Penguin said in his head, "What is rabbit's work?" Then they found a snow owl flying around a tree. They asked Mr. Owl, "You want to help us break open an ice block?" Then, he said, "Sure!" Then he jumps up in the air and like a rocket he shoots down from the sky and lands face first on the ice block! Then he said, "Ouch!!!" The Mr. Rabbit came back and said, "Why don't we use teamwork and everybody jump on the ice block at the same time?" And all the animals say, "What a great idea!" And then they all jumped up on the ice block and landed! They didn't just break the ice block, they broke the whole igloo! And Mr. Penguin was mad at everybody and started making the other animals chase Mr. Rabbit! And everybody except Mr. Penguin was chasing Mr. Rabbit! And Mr. Rabbit said, "It is nice to be very fast!" And then when all that destruction was happening, Mr. Penguin was just sitting down beside his crashed house and was just reading Percy Jackson. Mr. Penguin said, "I learned the telling people what to do part in the book!"

THE END!
