

*If you can dream it you can sing it~*

*By: Valour O.*

***As Tana soars through the air singing with the voice of an angel, Cheryl bows down to her saying "Oh Tana I should have never stop-"Beep! Beep! "Huh what-??7:30am! I'm late for school!" exclaimed Tana. Tana quickly put her brown tangled hair into a messy bun, and she slipped on a new blue t-shirt, some blue jeans, and ran downstairs.***

***Like the usual mom was adoring Tasha her older sister, Tana just quickly made herself some cold soggy cereal. "Hey Tana I one of your dork friends said you got a good voice. I doubt that!" Tasha sarcastically said. Tana just kicked on her shoes and biked to Catalan Junior High.***

After one long bike ride later.....

***"You're late" was the greeting she got but did not deserve. When she finished all the tardy paperwork, she walked past the music room and saw.***

**Do you like to sing ? Then join  
the Catalan choir!**

**Tryouts:**

**2:30-4:30 pm**

## **Come and show the world you can sing!**

*Tana just sighed not like anyone thinks she can sing anyway so what's the point?*

3 long hours later its lunch time.....

*"I'm totes going to make it into choir and get solos and stuff "boasted Cheryl. Tana just rolled her eyes she always said stuff like that it's so annoying! Cheryl just kissed at Tana saying "Hey dork! Are you trying out for choir?!" before Tana could answer, Cheryl just rudely said "No? I thought so you could never sing in the first place! "That made Tana mad, she couldn't blame Cheryl though they used to be friends but later on they just unclicked. She never knew why but that happened. To not sound insulting Tana just muttered under her breath "Maybe I will tryout! "Tana just frustratedly grabbed her tray and walked away.*

After one long day of school.....

*"Remember kids if you're trying out for choir meet at the music room "said Miss. Nadia . Tana made up her mind, she's going to tryout!*

*As she walked into the room with her heart pounding! She was greeted with a warm welcome from Mrs. Katrine " Welcome kids to*

***my music room ! We will be taking turns to sing! First, you will be paired with a partner to battle, I'll be scoring you , and one of you from every partnership will be chosen . Let's get started shall we!" Dan with Kat, Heather with Anne, and Tana with Cheryl !" "Tana! " shouted Cheryl. Until anything went wrong , Tana walked over to Cheryl and surprisingly said " Good luck . "***

The only people left were Cheryl and Tana this was it .....

***It was finally my turn Cheryl sang well, but I know I could do better! Mrs. Katrine sweetly said "Tana you sing silent night! I wish you good luck!" She sang and she sang so astonishing amazing! "Wow Tana meet me tomorrow at 6:30 in the morning that was incredible! " Mrs. Katrine beamed.***

The Next Day at School.....

***Before Tana knew it in 2 days she was singing at the Catalan choir's concert! She practiced day after day, no matter what everyone said she never stopped believing in herself!***

The night of the concert, Tana 's solo.....

***It was finally time for her to shine! She had her hair down in beautiful curls, she was wearing her short black dress, and had her crimson blue high-tops. "Hello ladies and gentlemen! Today Tana Smith will be singing Silent Night! Let's get the show started shall we?!" exclaimed the announcer.***

***Tana took a deep breath and sang, for she blew the audience away! Clap! Clap! She was adored with claps and flowers, and she***

*only sang one song! Cheryl and Tasha came up to her and apologized, yet Tasha wasn't sorry that much.*

**After multiple years of singing at concerts, Tana fulfilled her dream of becoming a singer! But this was not the end of Tana Smith! No! Tana's just getting started!**

*The end~*
