By: Korsyn K.

Its Christmas time, and Rodney is homeless. He has a dog named Sintheya. And Sintheya runs away, Rodney prays for Sintheya to come back. A week later he sees something... a volenter sign at a boot store! So Rodnee walks in and every one stares. Rodnee was wearing a big yellow jacket, little red converse with long laces and baggy black distress jeans. "I would like to volunteer" said Rodnee. "Why of course!" said a sweet old lady. "Hi" I'm Britney" the old lady said. "Hi Britney I'm Rodnee," exclaimed Rodnee. "Hello can your put some of those books on the shelve," said Britney. "OK!" said Rodnee. He stared looking at the books. Hmm this seems easy thought Rodnee. So Rodnee wrote a story of his own. "I wrote this would you like to read it?" Rodnee asked Britney, "Ever conditerd being an author?" she asked. So Rodnee tried writing and gave it to his favorite author Patrisha Paloco and she loved it! So he stared to write more and more story's. He made a nought money to beg a house. And on Christmas Sintheya came back and Rodnee was so happy. But Rodnee never stopped writing. Rodnee has come a long way from where he was before.
