Chapter 1 The Letter...

Hi. My name is Irene. I have a big family Let me tell you all about them. I have 4 uncles, 2 aunts, 1 grandma and grandpa, and I have one Mom and Dad. My Mom and Dad's names are Marrison and Isaac.

Ever since I was 7 years old, I wanted to be a soccer player. Soccer was my dream, and Alex Morgan was my inspiration.

Finally, we get a soccer sign up in the mail. "Irene we got a soccer sign up in the mail today and it's from Alex Morgan," said Mom. "What"? I zoom all the way down stairs, snatched that letter out of my Mom hands, and zoom all the way back to my room. This is what the letter said:

**Dear Irene, I know how much you love soccer so I am inviting you to my own personal soccer camp. I'm doing it for free no money needed. First practice this Thursday at Strawberry Park at 6:30pm.**

**-To my biggest fan,**

**Alex Morgan**

"OMG this is the best thing ever. I'm going to meet Alex Morgan for the first time in real life and...and... and-". \*knock\*knock\*. "Hey, honey are you ok you're really louder than usual," said Dad. "Yeah Dad I'm ok it's just that I just got the most important letter of my life. 'Oh, what is it? 'It's from Alex Morgan.'" "Oh really that's amazing, what did she say?" "She invited me to her own personal camp." "She said it's for free and the first practice is this Saturday." "Oh can I go please daddy please." "Uh, I'll have to speak to your mother about this, but anyway I came to say come and eat for lunch." "Ok" I say. I give Dad the letter before we eat lunch, so he can talk to Mom about it.

Chapter 2 Lunch...

For lunch we have sandwiches with chips and fruit. "Mmm this looks yummy" I say. \*Chomp\*. I take one big bite out of my sandwich. "Hey honey, can I talk to you for a minute," says my Dad. My Mom and Dad leave the table, go upstairs, and talk. I'm left at the table all alone. I hope my dad is talking to my Mom about the letter I got in the mail and I hope my Mom says yes because Thursday is 2 days from now. Finally, my Mom and Dad come back downstairs and say. "Irene we've made a decision and me and your mother has agreed to let you go to that camp". "What really you really mean it." "Yes" said my Mom. "Thank you, thank you so much." "Come on, let's go get you some soccer gear right now," said my Dad.

\_We go to a sporting goods store called Academy and get cleats, shin guards, long socks, shorts, a hydration bottle, and a soccer ball. Finally, back home, I put all my stuff in my room and wait for the day to come.

### Chapter 3 Wednesday...

It's only one more day until Thursday. I'm so excited to meet Alex Morgan for the first time. "Irene breakfast is served," says my Mom. "Coming Mom" I say. For breakfast, we have eggs with toasted bread. "Breakfast was delicious, thanks Mom," I say. "Your welcome honey. Can you go wake up your father and go brush your teeth?". "Yes Mom". "Ok thanks Irene."

- "Dad, Dad wake up Mom wants you, she's downstairs". "Ok I'm coming".

*After, I brush my teeth and clean my room. I go play outside. It's 10 o'clock. 2 more hours 'till lunch. At 11 o'clock, I go back inside and take a shower.*

1 hour later...

Yes finally it's lunch time. For lunch, we have pizza. That was some good yummy pizza. My Dad mostly ate the whole pizza. After lunch, I go to my room, watch TV, and play on my tablet. After watching a lot of T.V I finally go to sleep.

5 hours later...

That was a good nap. There's only 1 more hour left until dinner. I guess I'll help Mom cook dinner.

### Chapter 4 Dinner...

Finally done with dinner. For dinner we have steak with macaroni. Sounds weird combination, but we like it that way. \*Chomp\* \*Chomp\* \*Chomp\*. All done with my dinner. I go brush my teeth before I go to bed. I say goodnight to Mom and Dad. "Goodnight Mom and Dad" I say "Good night sweetie" they both say. I'm so excited for tomorrow I can hardly wait.

### Chapter 5 The Big day/Thursday...

It's 9:00 am right now. OMG! It's finally my day to shine. It's Thursday the day I've been waiting for all my life. I better go tell Mom and Dad what the special 'occasion is today. I zoom all the way downstairs. "Mom, dad guess what today is?" "What is it honey?" My Mom says. "Today is the day I get to meet Alex Morgan." "Oh, isn't she that famous soccer woman who's your inspired in soccer." My Dad says. "Yeah". "Oh honey I'm so proud of you". "Thanks Mom, you and Dad are going to drive me to Strawberry Park today, and watch me right?" "Of course we are. This is your big day to shine like you were always meant to." My Dad says. "Mom and Dad thank you, thank you." "Your welcome." My Mom says.

4 hours and 20 minutes later...

Ok it's 10 more minutes 'till soccer practice. "Mom, Dad are you ready yet?" "Yes, Irene what about you?" "Yes, Mom just gotta put on my cleats." I put on my cleats speedy quick. "Ok Mom, Dad I'm ready." "Ok, Isaac lets go." "Ok, coming sweetie."

### Chapter 6 Soccer practice...

"We're here, we're here!" I shout. "OMG I can't believe that were really here." "Uh Mom, Dad I'm actually kind of scared because I don't want to embarrass myself in front of Alex Morgan." "Look Irene when your aunt Aliscia was your age she used to play in soccer to. When your uncle Isaiah and I went to her first soccer game, we thought it was pointless. Even though she lost, she still didn't give up. So, what I mean Irene is it's not about winning it's about having fun." "Ok. Thanks Dad. I feel a lot better now." "Your welcome hon now just go out there and go have fun." I run as fast as I can to the soccer field and there she was standing at the corner of the field staring right at me. It was really her, Alex Morgan.

### Chapter 7 Alex Morgan...

"Hi there, what's your name. I'm Alex Morgan." "OMG.Is it really you?" "Yes, I'm the real Alex Morgan." "Hhhhhhi Aaaaalex Mmmmmorgan I'm Iiiiirene." "Hi Irene come exercise with the rest of us." "Oook". I went to meet the other players there was 5 girls and 5 boys I guess I was the 6 girl on the team. "Hey girls and boys this is Irene the newest member of our team." "Hi Irene" everyone says. "Hi everyone. I can't wait to play with you all this season." "Ok everyone let's keep exercising." We exercise for the next 15 minutes. Then we practice some skills to see what were good at. I'm really good at being striker. We practice our skills in matches, boys against girls. The first three matches I just somehow can't get a hold of the ball. Then the moment came I made a goal for the girls then after that girl, I made another, then another, then another. I made 10 points for the girls. The girls won and it was all because of me. Alex gave me the best thing I could ever imagine she made me number 13.
