

## The Lost Dog

Written by: Alexa & Alisson

One day there was a little girl named Kimberly. She went to the pet store and saw a little dog. She asked her parents if they could buy her a puppy. Her parents said yes, but she had to take care of the puppy herself. One day, Kimberly decided that she would give her puppy a name, and she called him Sam. She decided to go to the park to walk her doggy Sam. When they arrived at the park, Kimberly began to play at the playground and little Sam ran away. She started running after Sam as fast as she could, but Sam was too fast. Kimberly couldn't keep up with him and soon he was gone. She could not find him anywhere. She went home crying the whole way. Kimberly's parents asked her what happened with they saw her walk in so sadly. She told them what happened, and her parents told her that they would help her find Sam. Her parents made lost dog posters and posted Sam's photos along with their phone number. A week later, someone called their phone and said they found their puppy! All three of them went to get Sam and Kimberly never lost him again!
