

The Ghost Next Door

Once upon a time, there was a girl named Heather. She was an only child that just moved to a farm. When Heather was playing outside, she saw a house. When she saw the house, she noticed it was her neighbor's house that look abandoned (don, don, doon!)

She knocked on the door and it opened by itself (oooo!) and when she went inside, she heard footsteps coming towards her. She saw a little girl approach her, who looked pale and see-through. "Hi Heather wanna play" said the pale girl. "Who are you?" said Heather. "I'm Helen the ghost haunting this house". "And your house is next, HEATHER!?!?" the door slammed shut. Heather ran to her house screaming "MOM, DAD!!" Mom, Dad I was just at the neighbor's house, and I saw a ghost named Helen she said, "She's going to haunt our house next." Heather said. "That's ridiculous, ghost don't exist" and also the neighbors where here introducing themselves. "WHAT REALLY" screamed Heather. "NO I'M JUST KIDDING go watch TV" said Heathers mom. As Heather was watching TV she saw Helen at the window waving at her. "Heather I'm here" said Helen. "Ahh" screamed Heather. "What is wrong , honey?" said Heathers mom. "I saw Hhhelen." "Stop that nonsense!" "But Mom". No, buts, go to your room now. "BBBBBBBBBBut mom I'm telling the truth. "GO TO YOUR ROOM RIGHT NOW!" "Fine" I can't believe my mom doesn't believe me "ugh". When everybody was asleep, I got my flashlight, and went outside and started looking for Helen. As I walked towards the house, I looked behind me and there was Helen she looked at me and said" come, Heather, let's have a sleepover." "Uh? I don't think so." said Heather "oh come on, we'll have fun!" said Helen "no!! I said no!" said Heather." Fine then i guess I have to MAKE YOU!!" Heather tried to run inside but it was too late because Helen already grabbed her leg and dragged her to her abandon house. Heather was trying to scream for her mom but her mom was in a deep sleep. "HELPP!" "AHH" screamed Heather. "BE QUIET, stop screaming," said Helen. "Let me go then" said Heather. "Sorry, can't let that happen" said Helen. "Why?" Said Heather "Because then you will tell everyone" said Helen. "It's not like anyone is going to believe me "said Heather "WRONG!" said Helen. "Just be quite already, and go to sleep" said Helen "oook, good night Hhhelen" said Heather. Heather woke up and Heathers mom yelled "Heather come down we have guests. Heather down and sees a familiar face that looks like Helen she thought to herself .when the familiar person she says "Well hi Heather " "ummm are you Helen " said Heather "Yes how did you know HEATHER."
