

The Legend of Swirl land

By: Dana V.

Once upon a time in a kingdom named Swirl land lived fairies. The fairies there was one purple gumdrop that maintained the whole kingdom. The two kind rulers' names were King Candy and Queen Cotton Candy. But far, far, far away in a tall stormy lived an old, cruel, dark fairy witch and her old, mean crow. The witch wanted all the magic for herself. So one sunny cheerful day the witch sent her crow to get the magical gumdrop. The crow sneaked in to the palace and grabbed the gumdrop and when he returned to the tower the witch said, "ha, ha I got the gumdrop!" So as soon as she had the gumdrop in her hands the kingdom turned from cheerful to horrible! So 5 brave fairies named Peppermint, Polly Lolli, Stacie Sprinkles, Carmen Sugar Cookies, Gracy Gummie and their pet gummie wormy were going to take the task to get the gumdrop back! All 5 fairies were brave and wanted to help their kingdom. As the fairies were walking, the witch went to get food and she left the crow in charge of the gumdrop. When they got to the tower the crow saw them and crowed "Ca Ca!" But Stacie Sprinkles threw her special sprinkle's at him. Peppermint turned him in to a hard peppermint statue! The fairies got the gumdrop and flew as fast. When they returned they placed it were it belongs and everything was AWESOME!!Everyone (except the witch) lived a happily ever after.
