Long ago in a small town lived a girl who was different from everyone, and her name was Suzy. Suzy was helpful, caring, nice, and polite. While everyone else was lazy, rude, disrespectful, not caring, and mean. So, one day she asked her mom why everyone was like that but she was like everyone else. She went to go ask her dad but he was always sleeping. She went to ask her brother but he was always mean to Suzy. One day when Suzy was cleaning, she found a necklace. She wanted to keep the necklace, but then she remembered that stealing is bad.

She kept wondering what was inside the necklace. One day the necklace was shaking. A voice had said "hello I am a witch who got banished into this necklace for no reason". When Suzy heard that she was very surprised. The witch told Suzy to tell her wish. Suzy said "my wish is to make everyone act the same way I do." The witch said "follow what I say so we both get our wishes. Suzy agreed to the witch and started to listen to the witch. Suzy started to ask the witch if she had a plan the witch said "Suzy act worst things than everyone else and they will like you." Soon Suzy was the worst kid in town. If she didn't get what she wanted she would be mean, disrespectful, and rude. Every day when Suzy got home from school her parents would say "Suzy why were you being bad at school?" Suzy would be talk back to her parents. Suzy never realized she was acting like everyone else. Could the witch be using her, or even tricking her?

Finally, Suzy ran away from home and leaves town. Soon after, when Suzy got far, she started to get hungry and thirsty. Soon Suzy realized that she made a mistake. She knew the witch was tricking her but she still listened. Suzy felt really bad and ran back to town. Suzy called everyone to come outside so that she could tell them something. Suzy said "um ... I am sorry for what I said and acted please forgive me, but it was not my fault it is a witch from a necklace that I am wearing on my neck right now Everyone was a little confused at first, but then realized Suzy was right. Everyone and everything were normal in the town, and they all lived happily ever after.
