

Jack

Once upon a time there was a kid named Jack. He was 11 years old. He gets bullied at school a lot.

The bully's names are Joe and Aden. They did something bad, even the nicest teacher ever - Mrs. Alan. She was so surprised that a kid would do that.

She always gives chances to kids but they stole Jacks...Fish! And his name was Turbo and he was a boy.

So, Jack wanted to go get him back so he put out signs that he was missing. Mrs. Alan helped too and so did his parents.

They found the school bullies the next day. They said to Jack, "We are never going to give your fish back unless you pay us \$100. SO, which is it, money or fish?"

Then the police came with us. But before they left Jack spoke up and said, "No please, the only reason they're acting like this is because they had a hard past and the only reason I'm saying this is I know how it feels to be in Juvey away from your family. So what I am trying to say is don't take them."

"OK we won't take them this time, but they do it again, they're going. Now better give his fish back and be respectful."

"Oh my gosh, Mrs. Alan thank you so much. Mom and dad thank you. Joe and Aden want to be friends."
