

## The Nightmare

By Annabel R. and Reed S.

On a dark and stormy night the wind was wirling left and right and all but two were snoozing in their beds the orphanage was very very quiet and no one dared to make a peep. Then all of the sudden a large flash of lightning hit the orphanage. It shook wigerlisy it almost fell right on its side. Derrek and Sunny just layed there eyes open, and heart beat out of their chest, breathing fast, taking very deep breath and hiding under their bed together. They didn't know why they were scared. Knowbody did. All they know was that they were in the hands of pure evil. The master of the orphanage was named after his great-great-great-grand father. The only one alive in his family Zexnos. The most powerful ruler in the world he had powers like no others. Zexnos was mean a big bully a bad guy. About an hour later at the last roar of thunder Sunny and Derrik were asleep. Then the loudest came one hour later it was Zexnos yelling at an orphan for being awake. Nobody knows were she went and nobody wants to. She just disappeared. At 2:00 am Derrik was asleep yet sunny was staring at the white blank celing. Then at 3:00 am sunny was asleep. Then their eyes swirled. The two children woke up in a weird dimention. Ghosts and goblins from every corner. They laughed and laughed until they fell over as they got closer. Then out of the corner of Sunny's eye, was a black thing with teeth and glowing red eyes came with it's mouth wide open so wide you could see down it's throat. A deep voice said "come my darling come to memwahahaha". They approached the thing they were lifted on a broom by an old witch about at the age 10:55 it cackled saying "I am the good of this place don't fear how can I help you? Come to my hut". "ok" said Derrick before sunny could say anything. Because he knew she would say no because she did not like anything old and creepy besides girls didn't make destitions at this time. Now it was

10:00 in the morning and sunny was asleep in the witches bed and Derrick on the couch the witch was baking some pie for then the kids woke up. The smell of the pie woke sunny up she got up went to the table and asked "What kind of pie is this?" "my It's peach pie." "Would I please have some water?" asked sunny "of course!" Just then Derrick trudged into the kitchen hall asleep "What's cooking?" he asked "Peach pie." Said the witch "Could I have some water" asked Derrick "why sure". As she cut two slices of pie and poured two cups of milk. She said "you must stay in here for this is all the light you have and out there is monsters." "Big monsters that will take you alive to a dungen and feed you mashed carrots and he will scream if you don't sleep." "that sounds a lot like our master." Stated Sunny, "Well maybe you don't know something that I do." "And whats that?" said Sunny. "Just close your eyes and something magnificent will happen. Then they did is told and their eyes swirled . Then they awoke in a house painted wonderfully and they were home with parents.
