

The Magical Dolphin

By: Moriah P.

Once there was a magical dolphin and her name was Hope .Hope lives On a island called Emerald island She lives in a cave with her mom and Dad . She loves to explore the ocean with her friends. Her friends are Jemma, Ev , and Juliana.

One day, Hope got lost exploring the ocean. Hope felt worried and sad that she got lost .While Hope was trying to find home she made friends with a blue sea lion .They both discovered they could switch different colors and see the future. Hope was the first one to look into the future. Her mom was about to have a pink baby dolphin .So her friend told her I hope we meet again Hope.

Hope's friend told her she had seen that cave before and it was two rights and three lefts. Hope said thank you so much you are the best friend I have ever had .So Hope rushed home to get to her mom. As soon as hope got home her baby sister was born. And her name was Elizabeth.

The End
