

One day in math class Shelby, Cami, and Alli were working on equations when the bell rang. "Well," said Shelby "guess it's time to go home." "Yep," said Ali. The girls packed up. "Bye!" said Cami. "See you at the sleepover." "Ok!" said Alli and Shelby. The girls went home and then met at Shelby's house. "Omg! We are going to have so much fun!" said Alli. "Yep!" said Shelby's mom. "Mom!" said Shelby. "You're not invited." "Whatever," said Shelby's mom. Then she left the room. "Alright let's get started!" said Alli. Then they heard a knock at their window. "Mom!" said Shelby. But she didn't answer. "Mother answer please!" Shelby yelled again. But she still didn't answer. "Uhh, this is getting creepy!" said Alli. "Yeah," said Cami. Then they went to Shelby's door and opened it. They went to her mom's door. They opened the door slowly. "Ahhhhhhh!" screamed the girls. To be continued...
